**Subject: Discussion and possible action on appointing members to the Parks and Recreation Commission.**

---

### 1. Background / History

The terms of three Park Commission Members expired in April of this year. The three Commissioners whose terms were up included Vincent Lecca, Shirley Malone and Jennielle Strother. Two of the members, Vincent Lecca and Jennielle Strother, desired to be reappointed while Shirley Malone decided to not serve any longer. Our efforts to find additional candidates for the Parks Commission were not successful until last week when we received two additional applicants.

### 2. FINDINGS/CURRENT ACTIVITY

There are currently three positions on the Parks Commission open and we now have four Applicants available to choose from. The Applicants are as follows;

**Jennielle Strother** has served on the Parks Commission since 2010. She is currently Vice President for Enrollment Management for Seminary of the Southwest in Austin.

**Vincent Lecca** has served on the Parks Commission since 2010. He has previously served on the Cullen Country HOA in various capacities and is a member of the Lion's Club.

**John Montez** works for the Texas Parks and Wildlife Department and graduated from Texas State University with a degree in Geography-Resource and Environmental Studies. He is currently working to become a "Certified Texas Master Naturalist".

**April Beggs** lives in the Green Meadows subdivision and has been active with the HOA in their neighborhood. She currently works as a Legislative Services Manager with Greenburg Traurig in Austin.

### 3. FINANCIAL IMPACT

There are no financial impacts anticipated from this activity.

**4. ACTION OPTIONS/CONSIDERATION**

Council can approve three Applicants or request that additional Applicants be considered.
