MAIN STREET IMPROVEMENT PROJECT (RM 967 AND MAIN STREET)

BUDA, TX — On Friday, Oct. 25, TxDOT and contractor Lone Star Siteworks will begin the RM 967 and Main Street improvement project in Downtown Buda. Lone Star Siteworks plans to mobilize on Friday, Oct. 25 with traffic control signage and barricades. Construction will begin next week.

The general scope of work for this project includes:

- Creating turning lanes and through lanes to address traffic flow
- Reconfiguring of sidewalks, signing and striping for enhanced pedestrian safety
- Maintaining existing diagonal parking
- Relocating of traffic signal poles

The project is expected to complete in spring of 2020.

You can follow all of the City's construction projects and updates at www.ci.buda.tx.us/budaconstruction

The City will post detour and construction schedule information on our social media channels and website throughout the duration of the project.
