## **CHRISTMAS LIGHTS RECYCLING**

**BUDA, TX** — As your prepare for holiday decorating, the City of Buda is here to help you get rid of any old, broken, or unwanted Christmas Lights! From now until Friday, Jan. 10 ,you can drop off your Christmas lights in a box/container or bundled up for recycling. Please drop off the lights outside the Buda Public Library entrance inside the Municipal Building located at 405 E. Loop St. We have provided a plastic drop-off bin just outside the library entrance. Hopefully, this help organize your decorations and start off the new year while being environmentally friendly!
