## **MAIN STREET CONSTRUCTION ALERT (BETWEEN HAWK LANE AND BRADFIELD DRIVE)**

**BUDA, TX** — As part of the ongoing Main St. Improvement project the eastbound lanes of Main St. between Hawk Lane and Bradfield Drive will be impacted started Thursday, July 23.

The road will remain open, but eastbound traffic will be shifted sharply to the right as you can see in the picture below. Expect the eastbound lane in this area to be more narrow with concrete barriers in place. Please observe the detour signage and posted maximum speed limit of 25 MPH. Flaggers will be directing traffic as needed. This phase of construction will last approximately 2-3 weeks.

Westbound traffic will not be impacted.
