CITY OF BUDA SEEKING PROPOSALS TO LEASE OR PURCHASE FORMER CITY OFFICES

Buda City Hall Building, 121 S. Main Street

Buda City Annex Building, 100 Houston Street

BUDA, TX - March 28, 2018 - In the summer of 2018 City of Buda Employees will move into a new Municipal Building. Once the move is complete, our current city Hall, city Annex buildings, and library will be vacant.

For the last several months, the Buda City Council has discussed what to do with the current city hall, city hall annex, and library once the new City Hall/Library complex opens this summer. All three facilities are located in downtown Buda within the Main Street District. After evaluating different options, the City of Buda will release a Request for Proposals (RFP) on Wednesday, March 28, 2018, to solicit ideas for reuse of the current city hall and city hall annex properties. A RFP will not be issued for the current library as the city is considering reusing this facility as staff offices for the Tourism and Main Street departments along with a space for community organizations to gather.

About City Hall (121 S. Main Street)

Originally built in 1992 and expanded in 2003, the approximately 6,391 square foot facility currently serves as the administration offices for the City of Buda. The property is located in the heart of Buda's historic downtown district. The City is soliciting proposals to enter into a lease for the reuse of this facility.
